

EXTENDED **MAG RELEASE**

RA72G002D

RA72G001D

A bigger magazine release can make it easier to drop a mag when it is time for a reload. A poorly designed mag release can get in your way and cause unintended "new-guy" drops. That's why we designed a mag release with a comfortable angle – easy to reach with a slimmer profile to reduce unintended drops.

FITS 1-3RD GEN*

FITS 4TH GEN†

Enhanced, angled mag release

9mm /
