

ACCU•STRIKE™ XS SERIES

We have combined the best features of previous ACCU•STRIKE™ models to create the ACCU•STRIKE XS Series. Featuring an adjustable level and reversible bracket design for a wide range of customization, the ACCU•STRIKE XS easily adapts to any hunter's specific needs.

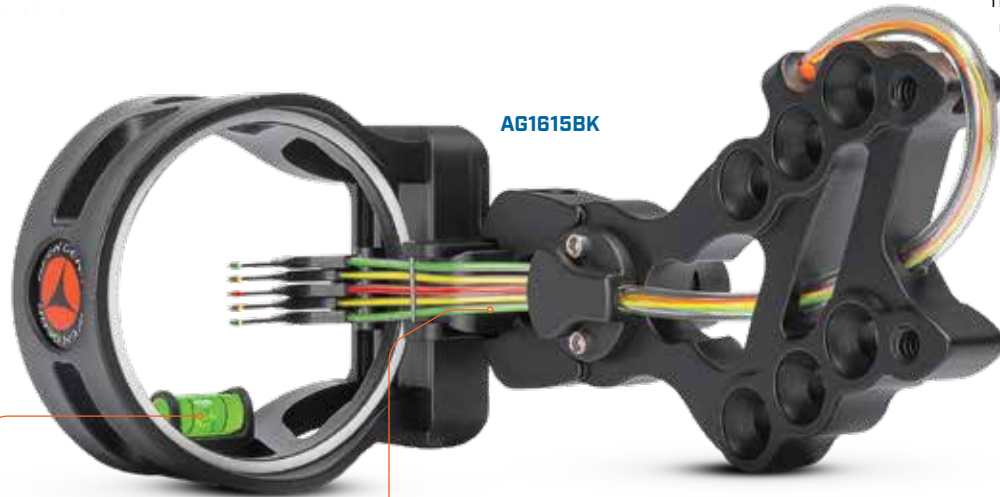

REVERSIBLE BRACKET
For greater vertical adjustability.

EXTRA-LONG FIBERS
For increased brightness.

ADJUSTABLE
For left and right-handed users.

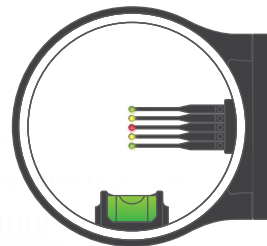

LIGHTWEIGHT
And compact design.

TRU•TOUCH™
Soft-feel technical coating dampens noise and provides a comfortable touch.

LEVEL IS ILLUMINATED
With luminescent tape.

EXTRA-LONG FIBER-OPTICS
Flow through the entire sight for increased pin brightness.
