

# REACTOR™ LTE HUNTING QUIVER

AG235J

ARROW

**THUMB TAB STYLE**

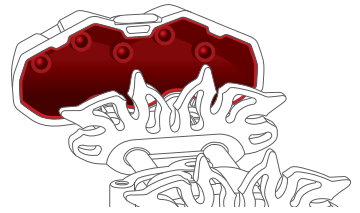

Design allows for quick / quiet arrow removal.

**TRU-TOUCH™**  
Soft-feel technical coating.

**AMBIDEXTROUS**

Fits both left and right-handed bows.

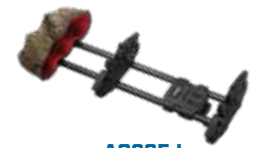

EASTON  
MICRO SHAFT  
**GXH**  
COMPATIBLE

Contrasting color rubber hood liner won't dull broadheads and makes it easier to load arrows.
